

MADE TO ORDER TRANSFORMATION

## At Solana,

we take our cues by imitating life's patterns, transforming the wonder of the natural world into a stylish and serene setting for both business and pleasure alike. Whether you're looking to establish a peaceful and private setting, require functional protection from the elements, or are simply after that perfect, custom accent piece, the team at Solana are here to finish off your project in style!

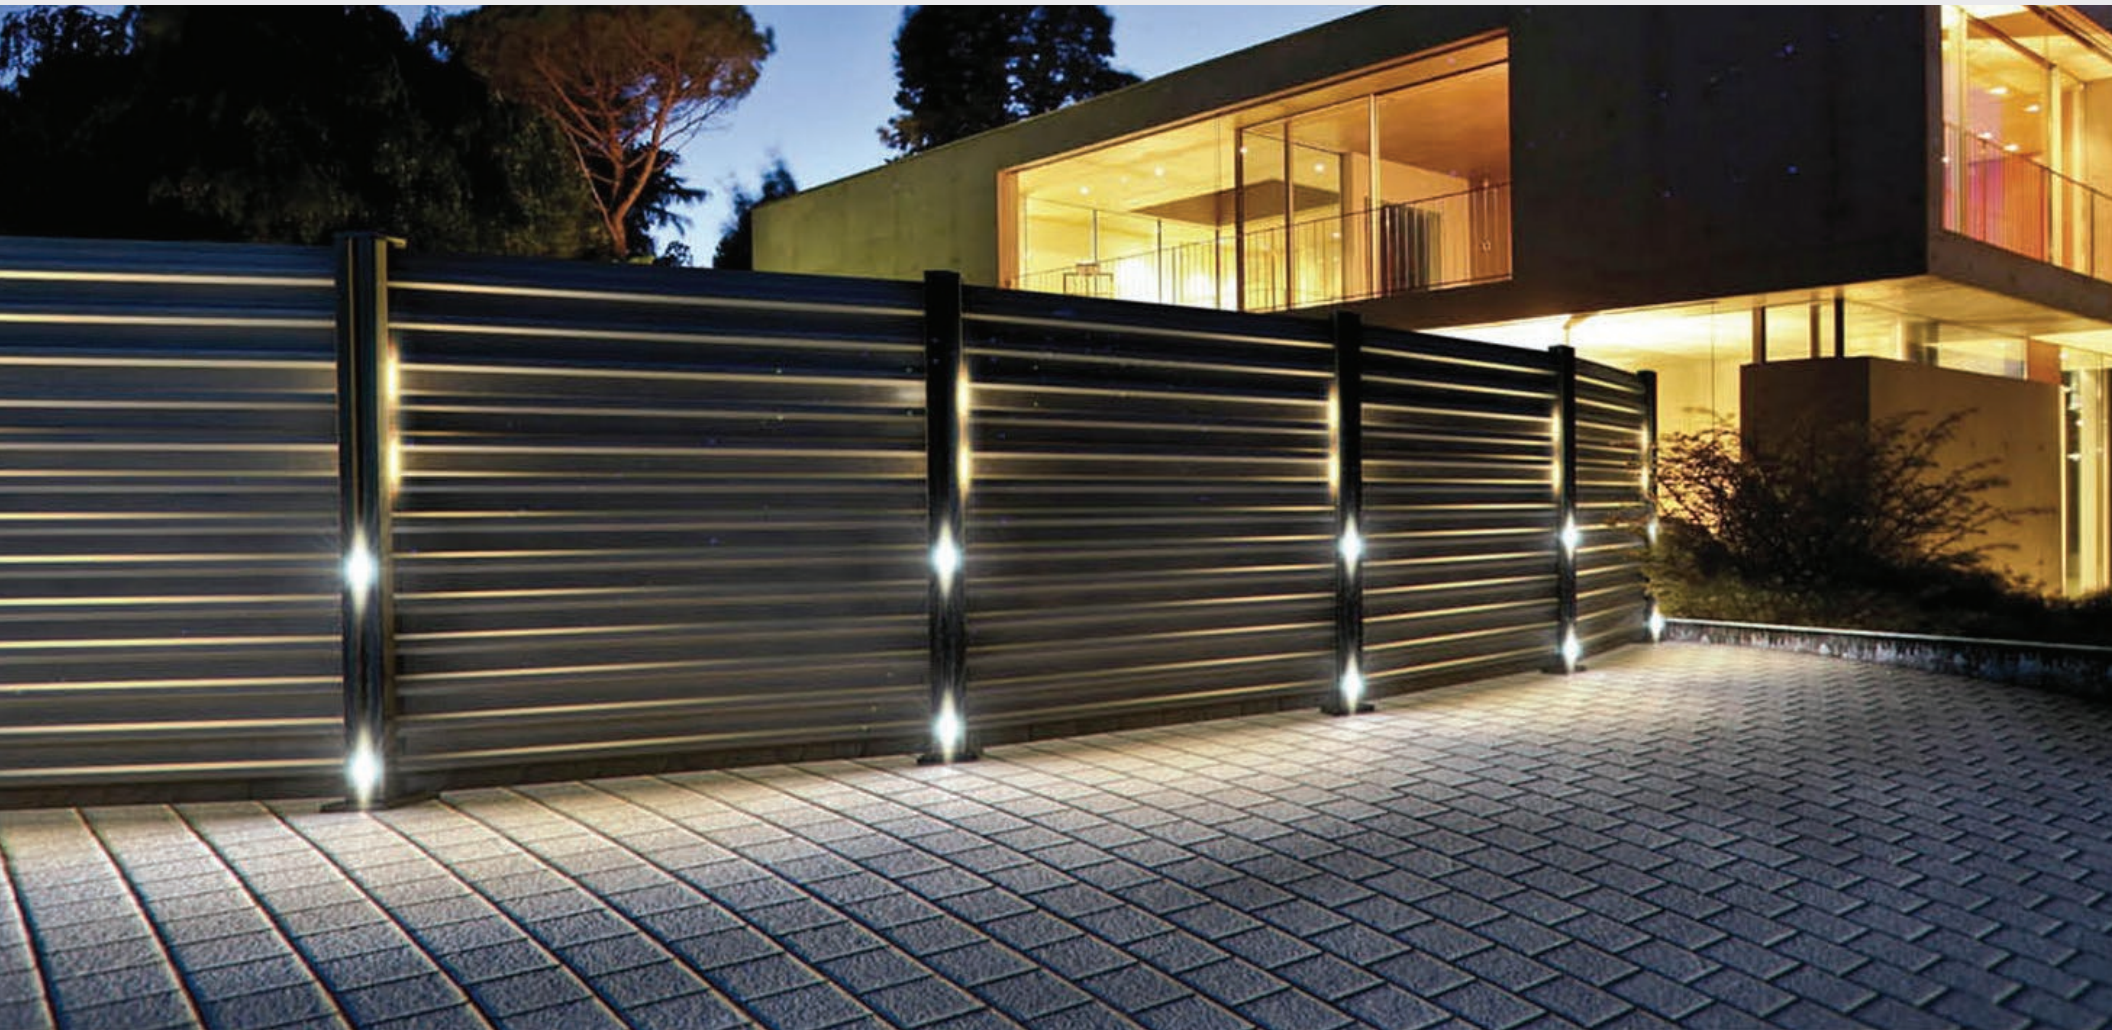

## At Solana,

we design, digitally model and cut static moments from a world of infinite patterns. We work with the finest materials including aluminum, aluminlite, corten steel, stainless steel and many composites such as Corian. Our premium coating comes with a Solana 5 year Warranty in all exterior + interior installations. The team at Solana are your "panelization experts" for your projects.

Since 2008 our CNC cutting capability and powder coating process has grown. From Laser Cut Panels to 3D Walls to Tensioned Fabric complete with our own fastening system. Never creating barrier's but capturing the essence of space while providing privacy and protection.

Horizontal Moduboard can be integrated with various materials including Solana Panels, acrylic/glass with custom art or corporate advertising.
